SPEECH PATHOLOGY

Your **Feedback**

Your feedback helps us to improve, so that you will feel safer, happier and get more out of our services.

We will often ask you for feedback.

You can also comment or complain at any time. You can use this brochure, or phone us, or ask our staff to help. They will make sure the right people get your message. Your complaint will be kept private.

When you tell us what you like or don't like, we will listen. And we will try to change things if we can.

You will always receive a reply as quickly as possible.

This information is part of our Feedback, Compliments and Complaints Policy and Procedure.
If you wish to read the entire policy, we are happy to provide a copy.
Just ask us.

Your **Feedback** is important!

Compliments and Complaints

To give you better services, we need your feedback.

Feedback can be compliments or complaints.

We love to hear compliments.
That means we are getting it right.
If you are happy, we are happy!

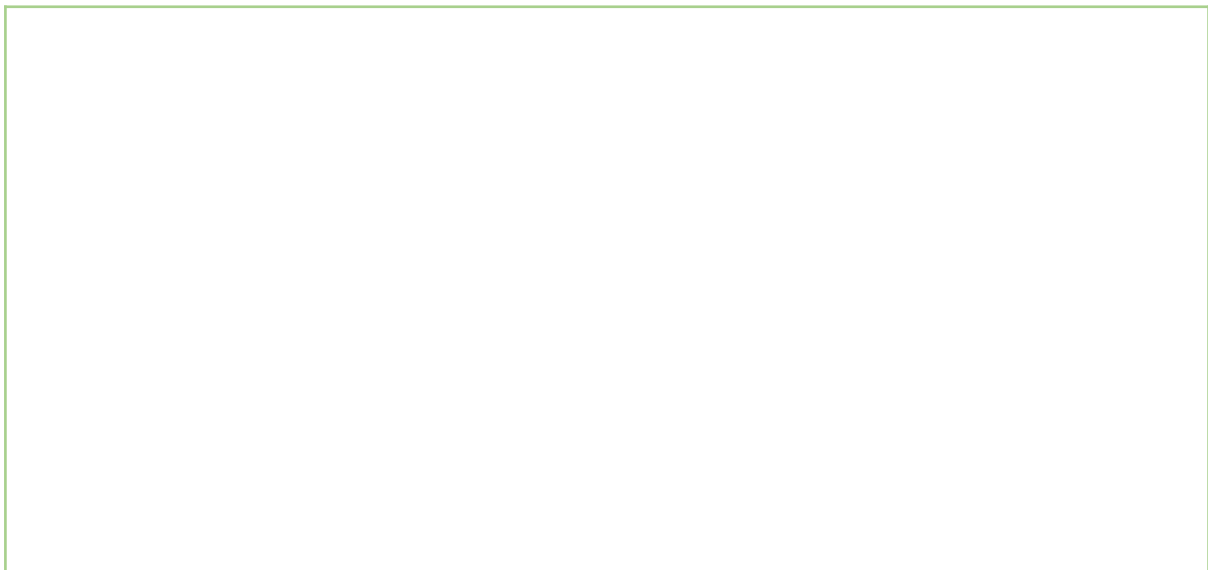

If you are not happy, tell us.
It's OK to complain.

We won't be angry. So, don't be shy.
We need to know how you feel.
Help us to do better!

We will always listen and reply to complaints, as quickly as possible.

You can complain anonymously.
If you don't leave your name, we can't reply to your complaint.
But we will still try to make things better.
